## Description

Sticker Blind spot (Angles Morts) - 170mm x 250mm

*As of January 1, 2021, it is a legal requirement in France that all vehicles and trailers weighing at least 3.5 tons must have an "Angles Morts" sticker. This requirement is based on Article [R.313-32-1](#) of the French Highway Code. The aim of this marking is to avoid accidents with cyclists and pedestrians, as they are often overlooked by large and heavy vehicles.*
